What does a woman want? besides a straight line? (sic)

Speaks of straight lines, for the first time ever, the Yale Band forms one

FORMATION NO. 1: STRAIGHT LINE. March out playing "Sabre and Spurs" and end on the measure before the trio, still in ~~the~~ block formation. At the script "What does a woman want?," move quickly to the straight line as below (spanning the 35 to 35 yard lines at the hash marks closest to the Yale stands). After the script reading play "More."

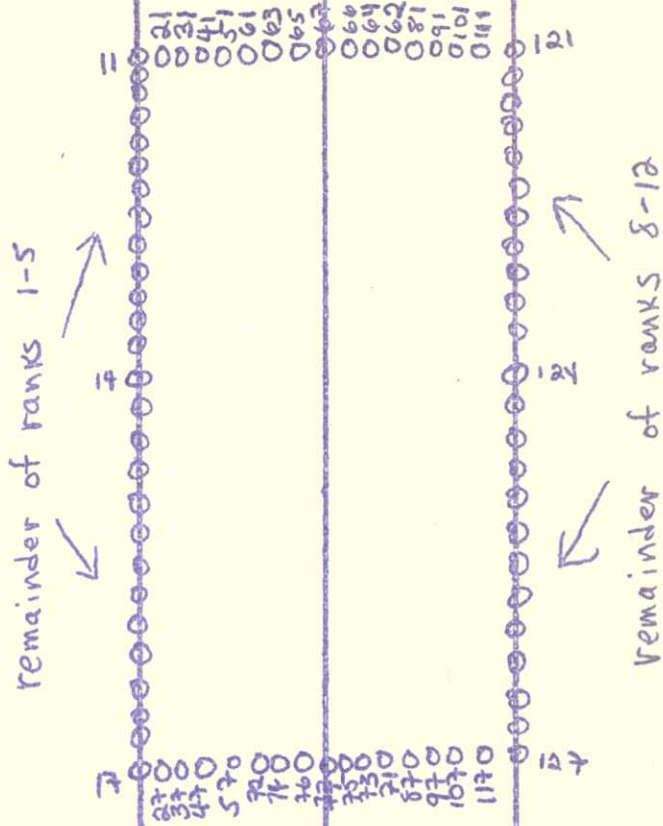

Form the line on the lower hash mark

FORMATIONS NOS. 3 AND 4: CIRCLES

The same formation serves for the last two segments of script. After the first script reading play "Strangers in the Night." After the second play "Satisfaction."

1. Take a middle of circle - what every boy wants to get his hands on ~~to~~... Poor Chemie (it was Hellaven.)
  2. As a public screen announcement, the band would like to advise Doctorman to man to do like the opportunity and buy their parts.
